SONGWRITING DICE

Welcome to Songwriting Dice!

Songwriting Dice is a 9 dice set to spark creativity and inspiration when writing or creating songs, poetry, etc. We created this simple guide to help you learn and understand these dice, but feel free to use our dice however you like to boost your creativity.

Box Components:

A Guide Sheet (this)
9 Songwriting Dice

SONGWRITING DICE USE

You can use and enjoy this 9 dice set by yourself or with a group of people. You don't have to use all 9 dice at the same time. Pick and choose as you like. Please feel free to utilize this dice set however you like to begin writing and creating music.

The dice are in four (4) different colors; RED, WHITE, GRAY, & BLACK for variety and distinguishing.

(Guide continued on back)

The **red** dice (Eras, Figures, Things, Locations & Places, and Seasons & Weather) are for the narrative, theme, & settings. The **white** die is for Lyric Types, the black die is for POVs (Point of Views), and the **gray** die is for different Moods.

The Eras die can be used for writing style, beat, or instrumental selection for inspiration, or during a freestyle session, cypher, and more.
